

Scholarship Loan Program

PURPOSE

The purpose of East Alabama Health's Scholarship Loan Program is twofold. It provides students with financial assistance and it assures East Alabama Health (EAH) of well-trained, competent healthcare professionals.

ELIGIBILITY

Anyone pursuing a health-related career in which EAH has an actual or projected need may apply. Examples of these careers include, but are not limited to: nursing, emergency medical services, medical coding, and imaging modalities (Radiology techs, Nuclear Med techs, Echo techs, Ultrasound techs, and Cardiovascular techs).

REPAYMENT OF SCHOLARSHIP LOAN

The scholarship recipient agrees to accept full-time employment with EAH after graduation for a period of time as outlined in the contract. The exact amount of time is determined by the amount of the loan the student receives.

AWARD AMOUNT

The total amount awarded is determined by the program and school at which the student is enrolled.

AGREEMENT DETAILS

In pursuing this scholarship, please understand that you are agreeing to:

- Complete 24 hours per month of paid work at EAH after completion of the first semester (if required). For example, nursing students are typically trained and placed as multi-care technicians. This may not apply to employees of EAH who are currently in other positions.
- Complete a work-off period after graduation in a full-time position, relative to the cost of your education as outlined in contract.
